Key Responsibilities:

- **Behavioral Observations:** Conduct observations to identify behavioral challenges and develop individualized behavior plans for campers.
- **Collaboration:** Work collaboratively with camp staff, counselors, and parents to gather information and implement consistent strategies for behavior management.
- **Training:** Provide training for camp staff on effective behavior management techniques, including prevention and intervention strategies.
- **Support:** Offer direct support to campers with behavioral challenges, helping them participate in camp activities while addressing specific needs.
- **Crisis Intervention:** Be prepared to handle crisis situations and provide appropriate intervention when necessary.
- **Documentation:** Maintain accurate and detailed records of behavior assessments, plans, and interventions.
- **Communication:** Communicate regularly with parents/guardians regarding camper progress, challenges, and strategies for continued support.

Qualifications:

- Bachelor's degree in Psychology, Social Work, Special Education, or a related field.
- Experience working with children or adolescents with behavioral challenges.
- Knowledge of behavior management techniques and positive behavior support.
- Strong communication and interpersonal skills.
- Ability to work collaboratively in a team-oriented camp environment.
- CPR and First Aid certification required

Application Deadline: April 1, 2024
