**** The Evaluation and Draft will be all in the same weekend. Parents/Guardians, your children do not need to stay for the draft. Please pick your child up at the end of the evaluation period. ****

There are important expectations and guidelines we will be following for evaluations, so please take a moment to read below:

- **During evaluations, only the athletes are allowed inside the gym:**
 - We ask that you please drop off your child for their scheduled start time and arrive on time for pick-up. We are expecting a lot of participants at the evaluations and we will be starting promptly at the scheduled times for each division, so please ensure they are at the gym ready to go on time as well as being picked up for the end of their time slot!
- **Please have your child prepared so we can start on time.** Here are a few tips for how to be ready upon arrival:
 - Basketball attire (basketball shoes/sneakers, shorts, t-shirt) are being worn by the athletes before they enter the gym
 - Coats/sweatshirts are off and to the side, outside of the court boundaries so nobody slips and gets hurt
 - Each athlete will need to bring their own basketball and water
 - Food is not permitted
- **Once the evaluation is over, we ask that you please pick up your child promptly as to lessen the volume of children in the gym so as to not impact the next**
